

Volunteer Handbook

Welcome to the Team Volunteers!

Thank you for your interest in volunteering with us and welcome to The Baltimore Station! We are so excited for every new volunteer we have here because of the substantial impact you offer to both our organization and the men we serve. You, the volunteers, offer us the ability to make our goals of offering stability to the veterans here, a reality. Through your skills, time, and commitment to our mission, we will change lives together. We hope you are as excited as we are to get started.

Volunteering helps more than just the men in the program, it can help you too. Volunteering leads to new discoveries, connections and friends. Plus, studies show that volunteering helps you live longer and promote a positive outlook on life! We have prepared this handbook as a resource for you, to give you a summary of the work we do here and the impact you will have.

We hope your work here at The Baltimore Station offers a valuable and rewarding experience. Your role is important and has the potential to be as significant as you would like it to be. We look forward to seeing you!

Our Mission:

The Baltimore Station turns lives around. We are an innovative therapeutic residential and outpatient treatment program supporting veterans who are overcoming obstacles to regain self-sufficiency.

An Overview of The Baltimore Station:

The Baltimore Station (TBS) is a Maryland State licensed Clinically Managed Medium Intensity Residential Treatment (III.3) facility for homeless men. We are CARF (Commission on Accreditation of Rehabilitation Facilities) accredited and the largest VA-funded Grant and Per Diem (GPD) program in the region. The Baltimore Station offers programming based on an evidence-based and client-centered approach that combines a strong recovery model with an environment that promotes socially responsible behavior. Residents participate in individual counseling and group therapy sessions to help them identify a permanent home, a sustainable income, and the tools they need to lead a substance-free life.

A Brief History:

For over 33 years, The Baltimore Station has transformed from a small group of devoted citizens who assisted the homeless in South Baltimore to the successful therapeutic residential treatment program it is today. Let's take a look back in time...

Today, The Baltimore Station has 127 beds, providing homeless men, primarily veterans, with an opportunity to turn their lives around. However, the journey does not end here, as our program continues to expand and evolve to meet the ever-changing needs of the men that we serve.

Volunteer Opportunities

All our volunteer opportunities are open to everyone, no matter the age. We only ask that minors under the age of 16 be supervised by a guardian or adult from the group. We host volunteers at both of our locations:

South Baltimore Station (SBS)

140 W. West Street

Baltimore, MD 21230

(410) 752 – 4454

Baker Street Station (BSS)

1611 Baker Street

Baltimore, MD 21217

(410) 462 – 2585

Meal Service: Groups Only

Groups come to our kitchen to make a home cooked meal or serve a catered meal for the men. Nervous about getting portions correct and having enough? We can provide you with recipes to help you plan or have all the ingredients ready for you to prepare with a suggested donation. After serving the meal, you will have the opportunity to get a plate and enjoy a meal with the men as well! This is a great opportunity to see firsthand the impact you have to our program.

Portion Guidelines: The kitchen team has developed a set of food portion guidelines to help our volunteers plan their meals with greater ease. Please make sure to reach out to the volunteer coordinator **at least 1 week prior** to your scheduled meal service to confirm your meal service.

Regular Meal

- Protein – 6oz
- Vegetables – 4oz
- Starch/Grains – 4oz

Pasta/Rice Dishes

Service Projects: Groups Only

Service projects are a great way to get your team involved with giving back to their community. Help sort through donations, plan a fun activity, teach a skill or assist with special projects. Projects depend on need and interest at the time of service. **Requests must be received at least one month in advance of proposed service date. Short notice requests will be considered on a case-by-case basis.*

Court Appointed, Community Service, or Internships: Individuals and Groups

Looking for a fun way to complete necessary service hours? Reach out to us to set up volunteer hours for various tasks or pitch what interests you and we will see if that can fit into any areas we have a need for volunteers in. **Requests will be considered on a case-by-case basis due to availability.*

What to Expect When Working with the Men:

To welcome groups into The Baltimore Station community, it is always recommended to start with a meal service lead by our kitchen staff. Our volunteer coordinator will introduce you to the building and kitchen, then you can learn more about our program while assisting the kitchen in meal preparations. Finally, you will serve the men and sit down to enjoy a meal with them. Keep in mind, everyone here is on their own journey to recovery and self-sufficiency; they may say something unexpected or fall asleep because of the medication they are on. Please take no offence, it is just part of working with a population recovering from addiction. If you have any issues, please report them immediately to the volunteer coordinator and/or a front desk resident attendant.

We are committed to equal opportunity volunteerism. We coordinate a diverse community of volunteers from varied backgrounds and social identities.
